Re: *Espinoza v. Westside Supermarket, LLC., et al.*
Civil Action No. 21-8368

Hon. Magistrate Judge Stein:

I represent the Defendants in the referenced lawsuit and write to request an extension of the deadline to file a revised fairness application, hence until **July 2, 2024**. The parties have agreed upon the wording of a revised settlement agreement and I have received a copy of this revised agreement signed by the Plaintiff.

The reasons motivating this *late* application¹ for a one-week extension of time: I have encountered difficulties in obtaining the agreement countersigned by the individual Defendants, one of whom was in Yemen until a couple of days ago.

The individual Defendants will be able to sign the revised settlement agreement to submit to this Court for review within a week, perhaps sooner.

Plaintiff's counsel has consented to this application for additional time. I do not anticipate requiring further extensions of time.

Application granted. The parties shall file their papers seeking approval of the revised settlement agreement by July 2, 2024.

SO ORDERED.

Respectfully submitted,

Ian Wallace
Attorney for Defendants

¹ The Court had provided the parties until June 25, 2024 to file a renewed fairness application, and an amended settlement agreement that complies with this Court's order.
